

2026 ARTIST GUIDE

On behalf of the Uptown Association, welcome to the 2026 Uptown Art Fair. We are honored to have you join us as one of this year's distinguished exhibiting artists.

Since becoming the producer of the Uptown Art Fair in 1973, the Uptown Association has proudly carried forward an event that first began in 1964 with a simple but powerful mission: to celebrate exceptional art while supporting the vitality of the Uptown commercial district. More than six decades later, that mission remains as meaningful as ever.

Your participation represents more than an exhibition of outstanding artistic talent; it is an investment in the future and a catalyst for revitalization of one of Minneapolis' most iconic neighborhoods. Immediately after the tents come down, the net proceeds from the Uptown Art Fair will be reinvested directly into Uptown's revitalization, helping implement a bold vision to reestablish Uptown as one of the Midwest's premier shopping, dining, arts, and cultural destinations through strategic investment in business attraction, public spaces, signature events, safety, marketing, and initiatives that foster sustained economic growth and community vitality.

Thank you for being part of this pivotal moment in Uptown's history. We are committed to providing an exceptional experience for both our artists and the thousands of visitors who will join us throughout the weekend. We look forward to celebrating an unforgettable event of creativity, inspiration, and community with you.

Enclosed in this guide is detailed information about the event.

EMERGENCY EVACUATION PLAN

The Uptown Art Fair staff wants everyone to be prepared in the event of an emergency. Minneapolis Park Board Police will be on-site at all times and Art Fair staff will have immediate communication with them. In the event of severe weather or emergency evacuation, the police will direct all persons to take shelter as needed. Refer to the Know-It-All Guide that will be distributed the week of the event for a detailed emergency evacuation plan.

WEATHER EMERGENCY

The Uptown Art Fair is a rain or shine event. We are in constant contact with the National Weather Service. If inclement weather is approaching, the festival has established procedures to ensure the safety of event participants and patrons. Artists will be instructed by zone captains or notified by text alerts in the event of a weather emergency.

SECURITY

Both Minneapolis Park Board Police officers and private security are on duty 24 hours a day beginning Friday morning through Sunday evening. Artists are solely responsible for the security of their booths and equipment. The Art Fair staff recommends removal of all valuables from your booth each night, as well as placing all displays and materials in a secure place. In non-emergency situations you may contact our Head of Security, Mike Finkelstein, at 612-483-1415, or Unparalleled Security Dispatch at 651-300-1515 (and follow prompts to "Emergency Response" or "Manager on Duty" for whichever applies).

BOOTH SITTERS

Booth sitters are available for relief for restroom breaks, and short-term food breaks. Booth sitters may monitor your booth but are not permitted to conduct sales transactions or process payments.

To request a booth sitter, TEXT your name and booth number to: **612-280-3380**

PARKING

There is available street parking near and around the footprint, as well as ramp parking at the following locations:

- Seven Points Parking Garage (1375 W 31st St) – max height 6'10"

All City of Minneapolis parking regulations are strictly enforced and overnight parking is inadvisable. The Uptown Art Fair staff reserves the right to expel, without refund, any exhibitor bringing a vehicle onto the Art Fair footprint during times that the Art Fair is open to the public.

COMPLIMENTARY BIKE VALET PARKING

WHEN: Open daily, 15 minutes before the fair opens until 15 minutes after it closes.

SETUP & DISPLAY GUIDELINES

SETUP TIMES

Please refer to the **attached map and directory** for your **booth location**. You can drive straight to your designated marked space. **All artists must enter at the intersection of West Lake of the Isles Parkway and Dean Parkway for setup (north end of Zone D).**

For Zones A-C, enter by backing up via Cedar Lake Parkway back to I-394. Exit I-394 at the Penn Ave S exit, head south, follow the curve onto the frontage road (S Wayzata Blvd), then turn left onto Cedar Lake Parkway. Once reaching Dean Parkway, turn left. Line up in this 1-2 mile corridor to await load-in.

For Zone D, enter directly on Dean Parkway via the intersection with West Lake Street. Line up on Dean Parkway reaching West Lake of the Isles Parkway.

Entry instructions for Zones A-C: <https://maps.app.goo.gl/HXeXpBe8W2HXs8df8>

Entry instructions for Zone D: <https://maps.app.goo.gl/HxBwzZnhPqNMnTyLA>

One of our operations crew will check you in at that time. Unload your vehicle promptly and move it out of the event area to ensure a smooth setup, reduce congestion, and maintain courtesy for fellow artists.

Volunteers will be on-site to assist in initial unloading of your vehicle in order to expedite removing your vehicle from the footprint.

Please follow your assigned drive-up time for a smooth load-in. You must park your vehicle off-site after initial unloading. Shuttles will be available to transport you back to the event footprint after parking your vehicle off-site.

Zone A Drive-Up Time: 6:00 a.m.

Zone B Drive-Up Time: 6:45 a.m.

Zone C Drive-Up Time: 7:30 a.m.

Zone D Drive-Up Time: 8:00 a.m.

Please do not queue with your vehicle before your drive-up/check-in time. The entrance pathway is narrow, and there is little room to maneuver vehicles out of the way to make room for artists in the zones before you to clear.

Setup must conclude by 12:00 p.m. The fair begins at 1:00 p.m.

ARTIST REGISTRATION

Artists will receive booth numbers, ID tags (with event contact info), and other supplies at registration after arriving at the check-in location at W Lakes of the Isles Pkwy and Dean Pkwy.

BOOTH SETUP
